Dear Professor:

I am writing to confirm the date of Sunday, May 14th for the Opening of the Negro National League Baseball at Ruppert Stadium, Newark, N. J. I am expecting your Band to play for that occasion.

I have today talked with some one who has a nice Restaurant where the Band can be taken care of. I will make all arrangements for their two meals, the first one about 12 Noon and the second one after the game. I assure you the meals will be O. K. Will appreciate a reply from you.

I am mailing you under separate cover one of the cards we are using in our publicity campaign for the Opening Day game.

Very truly yours,
